Safeway Store At Niles Is Robbed

Wrist Watch and Small Change Is Taken By Burglars

Thieves, believed to have been transients, broke into the Safeway store at Niles, early Friday morning, and stole a wrist watch, valued at $25, and change in the till amounting to $1.26.

The robbery was discovered in the morning when Jack Nobriga, the manager, opened for work. The back door had been forced open with a heavy bar or some other instrument, allowing the burglars to enter.

The wrist watch belonged to Nobriga, who had forgotten it in the store the night before. Both the manager and his brother had worked until midnight Thursday. Night Patrolman Arthur Roderick said he had tried the back door of the store during his rounds at three-thirty in the morning and found nothing amiss. The robbery apparently occurred after this hour.

The store breakers evidently were not in any hurry to leave the building, once they had gained entrance, as they opened a bottle of milk in the back room and drank it. They also left a note by the empty bottle, commenting adversly in no uncertain terms on the milk's quality.

NILES IS SUBJECTED TO ESCAPADES OF ROWDYISM

MAN'S FACE CUT IN ALLEGED DRUNKEN BRAWL

Although Mike Oliveria, in an alleged drinking brawl at Alvarado Monday night, received a wound on his lip which required seven stitches to close, he did not consider it an offense warranting a complaint against Pedro Pineda, also of Alvarado, when the pair faced Judge Silva in the Niles justice court, Tuesday, after a night spent in the Niles jail.

When Pineda agreed to pay the doctor costs, both men were dismissed. They were arrested by Night Patrolman Don Bates in Alvarado Monday night, after Oliveria was alleged to have been kicked in the face by Pineda during a drunken brawl. The injured man was treated by Dr. E. C. Grau, at Niles.

Hoodlums go on Rampage During Early Sunday Morning Hours

Displaying the spirit of immature Hallowe'en mischief makers, a group of hoodlums committed several acts of vandalism on Niles streets early Sunday morning.

Some of the shrubs in front of the Niles public library were torn up and others broken. Weight scales in front of several of the business houses were moved from their locations and placed on the highway where they were a menace to traffic and liabel to damage. Two shrubs in front of the Peerless restaurant also were transported to other parts of the town.

The trouble makers continued to show their utter disrespect for law and order by breaking into pieces the shoe shining stand on First street belonging to Michael Duarte, and cutting screens on the door leading into the Paris Sweet Shop. A rock also was thrown through the window of Creed Domenici's home on Second street.

Niles has been subjected to low and cheap acts of hoodlumism and disorderly conduct on Saturday nights for some time, and the Sunday morning escapade has aroused respectable people of the town to a high point of righteous indignation. The offenders are thought to be a group of Niles youths, and every effort is going to be made to identify the guilty ones and bring them to justice.

CLOTHES STOLEN FROM NILES GARAGE

Breaking into his garage in Niles last Wednesday night, thieves stole a suit, shirt, hat and necktie belonging to Al Juhl, of Niles.

Juhl is of the opinion that the thieves entered the garage with the expectation of stealing his car, but it was not located in the building at the time.

Mr. and Mrs. J. C. Shinn and daughter, Anne Millicent, left Friday for Pinecrest where they will enjoy a week's vacation.

BRICK FACTORY AT NILES TO OPEN MONDAY

Coming as welcome news to residents in Niles and surrounding community, was the announcement Wednesday that the W. S. Dickey Clay Manufacturing company near Niles will resume operations Monday morning, running at full capacity.

The opening will give employment to approximately forty-five men, according to Lester Duffey, manager, who stated that all former employees will be given preference. The plant has not been operating for some time, and its opening will be a boost to the betterment of economic conditions in this section of the county.

Drunken Driving Case Postponed Fourth Time

In the hope that the complaining witness will be sufficiently recovered by that time, the case of Emil Christenson, of Oakland, charged with drunken driving, was continued until Tuesday, September 6, at Tuesday's court session.

This is the fourth time the case has been continued on account of the complaining witness being unable to appear. He is confined to the hospital from the injuries received during the crash at the time Christenson was arrested.

Large Deer Killed By Romeo Brunelli

The largest deer that has been brought into Niles this season was killed by Romeo Brunelli, of Niles, early Monday morning in Niles Canyon. The animal, which was a four pointer, weighed in the neighborhood of 130 pounds dressed.

Brunelli, Ed Rose, and Bill Alameda, all of Niles, also bagged a forked horn in the La Costa country Sunday. It weighed seventy-four pounds dressed.

Corning—Plans being made for new high school gymnasium.

MAN IS SERIOUSLY INJURED IN CAR CRASH

Franklin Oehm, 26, of Oakland, was seriously injured Sunday morning when his automobile overturned on the Niles Canyon highway, a short distance from Sunol.

The accident occurred when Oehm lost control of his car as he was making a sharp curve in the road. The man's left ear was almost severed, his shoulder was dislocated, and he suffered other severe inuries in the crash. A girl companion, Rose Smith, of Oakland, escaped with minor injuries.

Oehm was taken to the office of Dr. E. C. Grau at Niles where he was treated and then sent to the Highland hospital in Oakland.

BURGLARS LOOT ABROTT HOME IN NILES

Another burglary occurred in the Niles area this week when the home of Mr. and Mrs. Harry Abrott, Sr., on the corner of Third and H streets, Niles, was entered sometime between Friday and Sunday night. An overcoat and a gold bar pin were stolen.

The Abrotts left their home Friday for a visit to their ranch in the Livermore hills, and returned Sunday night to find the back door open and the articles missing. The thieves gained entrance by opening the door with a pass key.

Poultry Raisers Hold Niles Canyon Picnic

Poultry raisers from all parts of southern Alameda county were present at the fourth annual picnic of the Hayward Poultry Producers' association held Sunday at Stonybrook, Niles Canyon.

Among the features of the day were the awarding of twenty-five prizes to winners in various contests, including running, sack races for boys, peanut race for girls, three legged race, egg race, slipper-kicking, and nail driving.

A contest wich drew the acclaim of the ladies was one in which they were allowed to throw rolling pins at a man.

Movement Afoot To Keep Present Post Office Site

W. H. Ford Sends Telegram to National Capitol

Since the recent announcement that the Niles post office will be moved to new headquarters on H street as soon as a new building can be constructed by J. A. Silva, a recent movement by several Niles residents may keep the mail quarters at its present site, it was learned this week.

Although the post office department is said to have already given Silva the new lease for the building, it has not definitely established whether the post office will be moved. A petition has been circulated about Niles during the week in the effort to influence the post office department in retaining the present site, and Monday a telegram was sent to Washington, D. C. by William H. Ford, wealthy San Francisco and Niles business man, strongly urging the keeping of the mail office where it is at present. Ford stated that the proposed location is not desirable and the present one built and furnished for post office purposes is highly satisfactory. It is understood that other telegrams also have been sent to the post office department protesting against the proposed new location.

It is expected that the post office department will make known its final decision on the matter within the next week.

NILES CHRISTIAN ENDEAVOR ELECTS OFFICERS

Everett Mendenhall, of Niles, was chosen as the new president of the Niles Christian Endeavor, at the election meeting held at the Congregational Church in Niles, Sunday night. He will replace Jack Rathbone, the retiring president.

Twenty-four young people were present at the meeting, and enjoyed a wiennie roast after the election of officers.

Other officers chosen were Lorene Kearns, vice-president; and Irma Hodges, secretary-treasurer.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

What An Opportunity!

The democrats are lucky this year—they have a tremendously big man running for the nomination of United States senator. If they fail to make McAdoo's nomination very nearly unanimous, we will know there is something seriously the matter with California's democracy. Take the republicans—not much to choose from—just a mediocre trio to select from. A toss-up will decide the question for any man. But the democrats—what an opportunity!

McAdoo is a constructive progressive. Capital can't beguile or intimidate him. He knows their methods, and can outmarshal them. If elected, he will be a champion of such men as you and we—the "forgotten man." And that is not an idle phrase—at least ninety million of Americans have been pushed out of the governmental picture for so long that their faces are strangers to official Washington.

Registered Democrats: McAdoo is your friend. Have sense enough to vote for him. If you do not, you are entitled to no better treatment than you have gotten during the past dozen years.

Unfortunately, we cannot vote in the democratic primaries. The best man on the republican ticket is Crail. Shortridge has followed the president, apparently into oblivion, although he may win the nomination. Shortridge, however, is our second choice. Other candidates have nothing to commend themselves to the voters but a platform of booze. Those who love their liquor better than good government, family, religion, honor, by all means turn your back on McAdoo, Crail and Shortridge.

Well, Sheriff, What's Your Answer?

What happened in Niles late Saturday evening and early Sunday morning challenges the very authority of the sheriff's office and the power of the local night watchman. The ability of these two police departments to maintain order and force respect for the rights of decent people has been laughed at by a bunch of Niles hoodlums whose unprintable conduct on the main street of this town shows with what utter contempt they hold our local deputy sheriffs, Washington township constables and Niles patrolman.

Under the influence of bootleg liquor—liquor that is sold so openly in Niles as to constitute the opinion that the sheriff's attaches are blind and scent-proof—a bunch of youths went wild in the early morning hours of Sunday, destroying property of our citizens and committing unspeakable acts—acts that brand them as contemptible and low, with a sense of humor so perverted that there can be but one avenue down which they are howling, the avenue that leads to the penitentiary.

Well, Sheriff Driver; what are you going to do about it?

The Farmers' Candidate

William P. Jost, candidate for assemblyman, Thirteenth district, is entitled to re-nomination and re-election. His record is good—far better than the average legislator. He has studied the problems of agriculture and has championed many laws beneficial to the farmer, stockraiser and horticulturist. There are only a few members in the lower house who make any pretense at representing rural California.

There are some fine men opposing Jost—but they are untried and inexperienced in legislation. It is no reflection on other candidates that this paper urges the re-nomination of Representative Jost.

Let's keep a farmer at Sacramento to protect this great agricultural district. Vote for Jost and good government.

Niles School Will Open Next Monday

Largest Enrollment In Institution's History Expected

With the largest enrollment in the school's history expected, the Niles grammar school will open for the fall session Monday, August 29.

Preparations have been completed for the opening day, and over three hundred boys and girls from Niles and nearby community will forget the pleasures of summer vacation to settle down to the routine of school life Monday morning. All state books have been obtained, and everything is in readiness for the pupils to begin the regular school session on the opening day.

According to E. D. Bristow, indications point to a larger beginners' class this year than ever before. Pre-school surveys revealed that approximately forty-five pupils are expected to enter school for the first time, which is considerably over the number last year when thirty were enrolled.

A meeting of the faculty will be held Saturday morning at the grammar school building at which plans for the coming year will be discussed and outlined.

The faculty this year will be the same as that of last year, and will be made up of the following: E. D. Bristow, principal and eighth grade teacher; Celeste Bunker, seventh grade; Selma de Jong, sixth grade; Florence Blair, sixth grade; Frances Macke, fifth grade; Louise Inglis, fourth grade; Gertrude Kellar, third grade; Ann Perrin, second grade; Cecilia Enos, high first; Marie Curran, low first; Helen Smith, low first; Charlotte Foster, vocal music instructor; J. P. McClelland, instrumental music instructor; and Anthony Vargas, custodian.

YOUTH IS KILLED IN NILES CANYON CRASH; GIRL CRITICALLY INJURED

San Lorenzo Couple Meet Tragedy When Motorcycle Crashes

A youth was instantly killed and a girl companion believed to have been fatally injured Friday night as the result of a motorcycle crashing into the railing on the Niles Canyon highway by Silver Dam, one and a half miles this side of Sunol.

The dead youth was Milton Smith, 21, of San Lorenzo, who was driving the motorcycle, and the injured was Antionette Oliver, 17, also of San Lorenzo.

There were no witnesses to the accident which occurred about ten o'clock Friday night. Frank Ferry and his mother, Mrs. J. D. Ferry and Jack Townsend, of Niles, and George Shima, of Stockton, were the first motorists to arrive on the scene and discover the crash.

Miss Oliver was placed in the Shima machine and taken to the office of Dr. E. C. Grau in Niles, where it was discovered she was suffering from a fractured skull, a fractured leg and other severe injuries. Her face was terribly lacerated in the crash. She was rushed immediately to the Hayward hospital.

Smith's death must have occurred instantly as the top of his head was almost severed by the crash, Officer Tony Rose of the State Highway patrol, and Deputy Coroner Charles Graham, of Pleasanton, investigated. The body was taken to Pleasanton where an inquest was held.

No cause for the accident was learned. The couple were traveling toward Sunol when the crash came.

The dead youth was the son of Mr. and Mrs. William Smith, of San Lorenzo, and the girl lived with her grandmother in San Lorenzo.

Milton Charles Smith is survived, besides his parents, by two brothers, Clifford and Lionel Smith.

OFFICERS AT LUNCHEON

The officers and committee chairmen of the Ladies Guild were entertained at the Belvoir hotel with a dainty luncheon last Friday, August 19. The occasion was for formulating plans for the coming year of Guild work, and if we are not mistaken about it, there are some interesting events in store for the ladies this winter. The special guest at this occasion was Mrs. C. A. Griffin, who was pleased to make the more intimate acquaintance of the group. All present reported a pleasing and profitable afternoon, and are anticipating the first meeting of the Guild on August 31.

NEW OFFICERS ELECTED

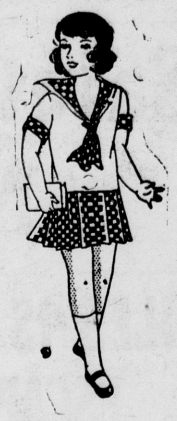

Twenty-five young people were present at the semi-annual election of the Christian Endeavor which met Sunday evening. Those present were favored with reports and pictures of the Asilomar Young People's Conference of this summer. Niles was represented by Miss Evelyn Rose this year, who very ably brought back a vivid picture in words concerning the conference. Numerous ones are making plans to be in attendance next year.

At the close of the meeting everyone adjourned to the playground for a wiener-roast. The committee in charge of the next meeting includes the Misses Lorene Kerns, Muriel Fournier, and Thelma Trout.

THE HEART OF IT ALL

"After the Holidays," will be the guiding thoughts for Rally Day next Sunday. Nehemiah returned to Jerusalem only to find the city virtually in ruins. It was a reproach to him, his people, and to their religion. Today we are not building walls, but have set ourselves to the task of breaking down walls of hatred, malice, crookedness, jealousy, and other barriers which prohibit the building of the Kingdom of God.

School Cafeteria in Pleasanton Is Ready for Fall

Attractive New Color Design Is Ready for Fall Semester

Special care and attention will be given to all youngsters who are going to eat their meals at the cafeteria in the Pleasanton grammar school it was announced by Miss Lillie Kiefer, manager, last week.

Miss Kiefer went on to say that some little youngsters in the kindergarten, first and second grades are not able to select their proper meal and need help in choosing their food. Every small child will be given individual care by members of the cafeteria staff.

The childrens' meal consists of three hot dishes, salad and a desert. Bread and butter is served free of charge. Milk is also given to the youngsters at a small fee.

The cafeteria has been repainted in the cool and refreshing colors of white and green. The cement floor has received one coat of paint and will have another applied to it shortly.

Expenses of the cafeteria are under the supervision of the Parent-Teachers Association.

LEGION SPONSORS RADIO STARS SHOW

Seeking to raise funds for the post's charity fund, the Washington township American Legion Post 195, is sponsoring a show to be presented by the National Radio Revue, in the auditorium of the Veterans' Memorial building, Niles, which promises to provide two hours of the most enjoyable entertainment ever offered the township public.

Thirty star radio entertainers from various stations on the coast are members of the troupe who will present singing, dancing, and dramatic acts that will leave nothing 'o be desired in the way of high class and talented performances. Included among the company is a fourteen-piece radio band that will play during the evening.

After the regular show, those who desire will have the opportunity to dance to the stirring rythm of the radio band, at only a small charge.

The performance will begin at eight o'clock on the evening of Tuesday, September 6.

The legion boys are hoping to have a large crowd present on the night of the show in order that they may carry on the generous relief work of the past.

HORSESHOE ARTISTS TO CLASH FOR HONORS

Beginning this week, the Centerville council of the Knights of Columbus will hold a series of social gatherings after the business of their regular meetings has been completed. The members will enjoy card, checker and indoor horseshoe playing.

A feature of the social hours will be a tournament to determine the indoor horseshoe playing championship of the Centerville council. There are several members of the Centerville group who possess considerable ability at the game, and lively competition is assured. A team will be formed of Centerville horseshoe artists to compete with other east bay councils for honors in this section as soon as the individual champion has been determined. Allen G. Norris is considered as a strong contender for the crown.

Car Badly Damaged In Centerville Crash

The car of Joaquin Menezes, of Newark, was badly damaged Monday afternoon when Menezes collided with a machine driven by A. McClug, of Oakland, on the Centerville main street.

COACH JESS REGLI OPENS FOOTBALL PRACTICE

Believing there is nothing more effective than the present hot weather conditions to help whip his football proteges in shape for a coming strenuous grid season, Coach Jess Regli began practice at the Washington Union high school Monday, a week before school begins.

Eight suits were issued on the opening day and thirteen more were issued Tuesday. Although several of the outstanding stars of last year's squad have been lost through graduation, Coach Regli believes he has enough veterans back this year to form the nucleus for a winning eleven.

Among the men out this week who were members of last year's team and who are expected to play a large part in winning football games this year were George Geib, James Booras, Chuck Grimmer, John Gronley, Fuller and Salvadorini.

DAUGHTERY BACK

Paul Daughtery, agricultural instructor at the Washington Union high school, who was severely injured in a mishap at San Louis Obispo several weeks ago, has returned to Centerville and will be on hand for tahe opening of the school Monday morning. It is still necessary for him to use crutches in getting around.

LARGE ENROLLMENT IS SEEN FOR OPENING OF WASHINGTON UNION HIGH

Night School Classes To Be Conducted Four Nights a Week

After enjoying approximately three months free from the cares and worries of scholastic endeavor, nearly five hundred girls and boys in Washington township will be confronted with the tasks of "reading, writing and arithmetic" and other demands of school life Monday morning when the Washington Union high school opens for the fall session at Centerville.

Registration figures for the high school are expected to reach a new peak after the opening day, according to A. J. Rathbone, principal. Nearly five hundred students are expected to have been enrolled before the completion of the first week. The freshman class this year is expected to set a new record for the school.

Several of the students have been registered this week, according to J. V. Goold, vice-principal, and many were registered at the close of the school term in the spring. This is expected to eliminate much of the usual bustle and rush connected with opening day registration.

An exterior which has been replastered, repainted, and undergone other renovations to give it an attractive appearance will greet the students when they troop into the building Monday. Pleasing improvements also have been made during the summer months to the lawns surrounding the buildings.

School will begin at 8:15 Monday morning. A general assembly will be held at 9 o'clock a. m., which will be followed by registeration of students, according to alphabetical order. After this has been completed, first period classes will begin.

First busses will arrive at the high school grounds at 8:10 Monday morning, and will bring students from Niles, Mission San Jose, Warm Springs, Irvington and J. V. Goold's route. The second run busses will arrive at the school five minutes to nine and will bring students from the other communities in the township. Additional bus service will be provided this year for the students living up Niles Canyon, who previously had to walk down to the highway. The bus will run up as far as the second bridge in the canyon to pick up its passengers. A bus also will run to Christian's Alley this year.

The faculty for this year was announced in the Register last week.

There will be four new faces in the teaching staff this year. These are Salvatore Billeci, who replaced John Kimber as music instructor; Miss Louise Struve, home economics instructor; Miss Mary Van Winkle, history and commercial subjects instructor; and Paul Pitman, English.

A meeting of the faculty will be held at ten o'clock Friday morning (tomorrow morning) during which time plans for the coming year will be discussed.

The high school has purchased and will wash and launder all of its own towls this year. In the past they paid for the services of a laundry for this, but the new move is expected to result in a saving.

Night School

Registration for night school classes at the high school will be held Monday and Tuesday of next week, it has been announced. Instead of two nights a week as has been the practice in the past, classes this year will be distributed over Monday, Tuesday, Wednesday and Thursday nights. This is expected to provide members enrolling in the night school classes more educational advantages than under the old system. Classes will be held from seven to nine o'clock during the evenings mentioned.

The night school women's physical education classes will be held in the high school gymnasium on Monday and Wednesday nights this year, while the men's physical education classes will be held Tuesday and Thursday nights.

Approximately the same courses as last year will be offered in the night school. Miss Evelyn Amaral, a San Jose State Teachers' College graduate, will be the instructor in women's physical education classes. George Richards, principal of the Sunol grammar school and well-known Washington township aviator, will again teach a course in aeronautics at the night school. Other members of the teaching staff have not been announced as yet.

OPPORTUNITIES IN MUSIC IS OFFERED AT WASHINGTON HIGH

Boys' and Girls' Glee Clubs to Be Formed This Year

Students at the Washington Union high school this year are offered a fine opportunity to receive training in instrumental or vocal music because of the wide variety of choice in music courses, according to an announcement made last week by Salvatore Billeci, new music instructor at the school.

Beginners may enroll in the beginners' orchestra, band, or in the instrumental classes. The school owns a number of musical instruments and the instructor stated he will be glad to help anyone on any instrument. For those who are in doubt as to what they would like to play, Billeci is prepared with an instrumental talk during which he will play on the various instruments and explain the value of each in a band or orchestra. The advanced student or one possessing exceptional talent may enroll in the first band and first orchestra.

With new sound-proof practice rooms in addition to the regular large band room, instruction in music will be greatly facilitated this year, according to Billeci.

For those vocally inclined the opportunity to enroll in either a boys' or girls' glee club will be offered this year. The glee clubs are to be an important part of the music department and emphasis is going to be made on singing of two, three, and four part harmonies. The glee clubs will meet once a week or oftner depending upon their size to sing as a mixed group. Among the features planned for the year is an operetta to be presented by both groups. A boys' quartette and girls' trio also is to be organized by Billeci.

All students will have the opportunity to learn to read music during the year.

Those who have ability on the piano will have the opportunity of securing experience in accompanying in two orchestras, two glee clubs and special groups.

The schedule for instruction in instrumental and vocal music music will be as follows: beginners' orchestra, second period; band, third period; boys' and girls' glee club, fifth period; advanced band, sixth period; advanced orchestra, eighth period.

Billeci has announced that he will be glad to confer with any student or parent in regard to music courses at the school.

Plan Announced To Ban Gate Crashers

A unique and effective method that would undoubtedly tax even the ingenuity of "One-Eyed Conneley" has been adopted by the Centerville Lions club to assure that everyone attending the Washington Bicentennial ball Saturday night in the Washington Union high school will pay the admission price.

All youthful would-be gate crashers will undoubtedly be baffled by the plan announced by Frank Madruga, president of the Lions, who are sponsoring the dance for the purpose of obtaining funds for a civic flag pole. Everyone paying to enter the dance will have a rubber stamp placed upon the back of his hand. The stamps are to be borrowed from the Centerville bank, and what stamp will be used will not be known before hand. Thus they may vary from "Insufficient Funds" to "No Deposit."

GRAMMAR SCHOOL AT CENTERVILLE TO OPEN MONDAY

Miss Sybil Botelho Is New Member of Faculty

With the enrollment expected to set a new record, the Centerville grammar school is ready for the opening of the 1932-33 school session Monday morning.

The building has undergone several renovations during the summer vacation months, and the pupils will be greeted by spick and span class rooms when they begin their regular school work on the opening day.

Althugh there is little gain expected in the beginners' class, judging from the pre-school year survey, the total enrollment is believed will eclipse that of last year when a new record was set.

The faculty will be the same as last year's with the exception of Miss Sybil Botelho who will replace Mrs. Edward Terry (formerly Miss Hickey) on the teaching staff.

Due to the financial outcome of operating the service last year, the Parent-Teachers' Association has not yet decided whether they will continue the school cafateria this year.

The faculty will be as follows: Joseph Dias, principal and eighth and seventh grade teacher; Miss Sybil Botelho, seventh and eighth grades; Tom Maloney, sixth grade; Miss Josephine Herbert, fifth grade; Miss Generose Maloney, third and fourth grades; Miss Anita Garcia, second grade; Miss Mary Dias, first grade; and Joseph George, custodian.

Centerville Knights To Hold Communion

The Centerville council of the Knights of Columbus are holding a quarterly communion in St. Edwards church in Newark Sunday morning. After the mass, a breakfast will be served in the Newark grammar school auditorium.

The chief speaker at the affair will be Joseph Rosborogh, former postmaster of Oakland.

Don't be ashamed of your business—Advertise it.

CENTERVILLE CLUB PLANS CIVIC PROJECTS

Several projects which will result in considerable civic improvements to Centerville will be initiated by the Centerville Lions club in the near future, according to Frank Madruga, newly-elected president, who plans for an active year for the organization under his leadership.

Among the improvements planned are the numbering of houses and the erection of street signs throughout the town. The erection of a civic flag pole also is planned by the Lions. The Washington Bicentennial dance is being held in the Washington Union high school gymasium Saturday night for the purpose of raising funds for the latter project.

A large number of the Centerville Lions attended the barbecue given by the Pleasanton den in Pleasanton Thursday night. The affair was greatly enjoyed.

Country Club To Open With Annual Luncheon

The Washington township country club will open its activities for the season with its annual luncheon to be held Tuesday, September 13, in the club house at Centerville.

A large number are expected to be present for the affair, which is to be featured by the presence of Mrs. H. G. Sharp, of the Rockridge club in Oakland, as chief speaker.

The ladies will be taken through the arts and crafts building to inspect the work done there. Picnic lunches will be taken by those attending.

The annual meeting of all branches of the Children's Hospital was held in Oakland Monday and was attended by Mrs. J. R. Whipple, of Niles. Plans for the coming year were outlined at the meeting. The Toyon Branch will begin its first regular business meeting sometime in September.

Ellsworth Entertain With Barbecue Dinner

Mr. and Mrs. E. A. Ellsworth entertained a large number of friends and relatives with a barbecue dinner in the garden of their home Sunday. Delicious barbecued steaks were prepared by Mr. Ellsworth for the gathering.

Those present were Mrs. Owen Landreth and three children, of Hobart Mills, Mrs. L. Baldwin and family, Mrs. Ann Kintz, all of Broadmoor, Mrs. Lola Stevens, Miss Elsie Stoltz, Mr. and Mrs. E. B. Ellsworth, all of Oakland, Dr. and Mrs. A. A. Siebert, of Berkeley, and Mr. and Mrs. F. V. Jones, of Niles.

PRODUCE GROWERS PLAN TO ORGANIZE COOPERATIVE UNIT

Organization Meet: to Be Held at Milpitas Saturday

Thirty-six vegetable growers from Alameda, Santa Clara, and Contra Costa counties met at the I. D. E. S. hall in Mission San Jose Saturday, August 20, for the purpose of discussing plans for the organization of a marketing association in the counties mentioned.

Headed by J. P. Ramos, of Hayward, who is leader of the movement to form one large co-operative association to include cauliflower, rhubarb, favas, peas corn, new potatoes, barley, beans, and other produce growers, the vegetable men outlined plans for the organization meeting to be held Saturday, August 27, in the Milpitas public school house at eight o'clock in the evening.

Ramos appointed A. Silva, M. G. Silva, A. C. Santos, Jr., and J. P. Garcia to select a committee to represent the various communities at the meeting. At the Milpitas gathering, a committee will be selected to be present at a grand meeting to be held at Irvington or Hayward during the last of September, at which final organizations plans will be completed.

C. S. Corder from the state agriculture department was the chief speaker at the Mission San Jose meeting, discussing the problems and economic conditions in California.

The purpose of organizing the growers into a group is to obtain a uniform price scale for their produce that will bring them enough returns to enable them to continue.

Starter gears are frequently damaged by attempting to start the car without retarding the spark. To avoid damage always retard the spark about one-half way with the manual control before starting the motor and advance the spark as soon as the motor starts.

Engine skipping, running irregularly at low speed, may be caused by any one of the following faults: dirty spark plugs; incorrect spark plug gap; incorrect fuel mixture; poor compression; valves adjusted improperly; dirt in carburetor; or air leaking around intake manifold.

Lions Club Holds Barbecue In Pleasanton

Members from the Hayward, Centerville, Livermore and Pleasanton Lions' Clubs were entertained at a barbecue at Pleasanton last week. Congressman Albert E. Carter and Ralph Richmond were the speakers of the evening.

Those present enjoyed eating steaks, salad, rolls and other delicacies. George Roraback, of Sunol, displayed his ability in barbecuing the meat last week. He was assisted by A. B. Pickard, John J. Amaral, and Crawford Letham.

MAN KILLED AS FREIGHT PASSES BY PLEASANTON

Identification of Victim and Search for Murderer Now on

An unidentified man was murdered in an empty cattle car of a Southern Pacific train passing through Pleasanton from San Jose to Tracy last Saturday morning, according to reports received there last week by Deputy Sheriffs L. E. Van Patten and Hugo Radbruch.

According to the peace officers the murder is thought to have occurred between Pleasanton and Livermore. The body was found by Conductor C. F. Herman, who was in charge of extra train, number 3,698, out of San Jose, when he was inspecting the train at the little station of Ulmar, three miles east of Livermore, at 8:05 last Saturday morning.

Herman discovered the man in the car, unconscious and bleeding. The body was taken to Tracy by train and from there to the San Joaquin county hospital, but the injured man died before aid could be given him.

The description of the victim, according to the sheriffs' reports, is as follows: five feet eight inches tall; weight, 140 pounds; age, twenty-two to twenty-eight years; auburn hair; brown eyes; wearing overalls, blue shirt, grey coat and vest and brown hat.

According to an examination by Dr. W. G. Beattie, of Tracy, it was found that the victim's head had been mashed in from behind with some heavy instrument. The end of the car was covered with blood the man had lost. Signs in the car indicated that there had been a struggle before the fatal blow was struck. Large ugly wounds were inflicted in the back of the man's skull and his entire person was covered with blood.

Chief of Police Bernard Phelan and Officer Pat Bone, of Tracy, made the investigation and expressed the belief that robbery was the motive for the murder. Evidently the man had been searched and stripped of all money and valuable articles. His pockets were turned inside out and all the man possessed, aside from his clothes, was a lottery ticket for thirty cents, which bore the name of a Salinas concern.

Identification of the murdered man is being attempted through laundry marks on the clothes he was wearing.

According to Engineer C. R. White a man dressed with a white shirt and a hat left the train at Elliott station, about one mile from Pleasanton. White stated rying a small bundle of stuff, which was probably the loot from the crime committed while the train was in motion.

It is thought the murderer may be in the neighborhood of Pleasanton or Livermore. He is sure to be covered with the blood of his victim, officers believe. Radbruch and Van Patten searched the surrounding territory last week, but were unable to locate him.

Pleasanton Post Elects Officers for Year Term

Installation Exercises Set for Next Month's Meeting

At a business meeting held in its club rooms in the Arendt building last Wednesday, officers of the Pleasanton American Legion Post were elected.

A large number of members were present at the meeting. The elected officers will be installed at a meeting to be held next month. They will serve for the ensuing term of one year.

Those elected are Morris Elsnab, commander; Ray Eward, first vice; Homer Allison, second vice; Charles Fiorio, treasurer; Captain W. P. Nipps, chaplain; Conrad Westling, historian; R. W. Apperson, adjutant; and Henry Lanini, sargeant at arms.

RECORD OF MERIT ACHIEVED BY MR. JOST

Pointing to the record he has achieved while serving in the state legislature in the past, W. P. Jost, of Hayward, is asking the people of the Thirteenth Assembly District to re-elect him this year.

Jost states that at the last session of the legislature, made up of eighty members, thirty-one were lawyers, thirty-nine were of mixed occupation, and only ten were farmers. Jost has served twice as chairman of the committee on agriculture and in that capacity has been the author of bills enacted into law that have saved thousands of dollars to the producer of farm products.

At the last session of the legislature, Jost was the author of the bill which is now a law, giving the California manufacturers a five per cent preference in bids on materials and supplies for public use. He has been instrumental in increasing compensation for industrial injuries from $20.83 to $25.00 a week and in increasing death benefits. He also aided in the enactment of old age pension bills and many others.

Explaining that the chief trouble today causing unemployment is the control of surpluses such as farm products, manufacturing products, and labor, Jost is in favor of correcting this situation by law or agreement. He is against any increase in taxes, pointing out that the state income is being reduced, so expenditures must be reduced to meet the income.—Advertisement.

..Overacker's Platform..

As a candidate for Supervisor I am fully awake to the fact that our taxes are beyond our ability, as property owners, to pay, and I recognize that ways and means **MUST** be found to reduce them.

In view of these facts I submit the platform on which I faithfully pledge myself to stand:

To support economical and tax saving measures.

The voluntary reduction of the supervisors' salaries in proportion to the reduction, already made or to be made, of the salaries and wages of other county employees.

The elimination of expensive automobiles furnished the supervisors by the county.

The elimination of the position of road foremen as under the present charter they are given no authority over road work.

To dispense with the unfair and unnecessary road tax.

Fairness and impartiality to all seeking county employment and aid.

Assure the county of receiving full value for money expended.

Respectfully submitted to the voters of the first supervisoral district.

Night School To Be Started in Pleasanton

Classes To Be Determined By Popular Demand

Evening classes at the Amador Valley high school will be organized shortly for its fall session, according to reports received last week.

Courses will be offered in various subjects according to the demand of the people in the community. A course in public speaking under the direction of E. O. McCormick, principal, is expected to be organized.

An advanced class in harmony and instrumentation of music will be given under the direction of Harry Tripp, musical instructor. A band and orchestra will be organized in conjunction with this class, Tripp has stated. The harmony class will commence at 7:30 and close at 8:15 in the evening. The band class will be held from 8:15 until 9:30 p. m. All those who have instruments and are interested in such a class have been asked to get in touch with him as soon as possible. Classes will probably commence in the early part of next month.

Due to the success of the choral evening class held last year, another similar class will be organized this year. A special meeting will be held at the high school auditorium on the first Monday evening in September, at which all those interested in such a class have been asked to attend. This class will also be under the supervision of Tripp.

LOW FARE RATES TO BE OFFERED OVER LABOR DAY

A five-day offering of cent-a-mile roundtrip transportation, September 1 to 5, will be placed before the public in six western states by the Southern Pacific company as an aid to excursion travel over the Labor Day period, it was disclosed today.

Announcement of the company's plans was made here by Harvey Braun, Niles agent for the railroad. A final return limit of midnight, September 12, has been fixed for the low-fare Dollar Day train rides, he said, thus providing for long-distance travel as well as week-end trips.

Transportation on the cent-a-mile basis will be furnished between all stations on Southern Pacific's lines in California, Oregon, Nevada, Utah, Arizona and New Mexico, including Salt Lake City and El Paso, Texas, it was stated.

Thrills Slated Sunday At Oakland Spedway

Sunol School Starts Fall Term Monday

Last Year's Faculty To Remain Intact for This Year

Studies at the Sunol Glen grammar school were resumed Monday morning when the children of that community went back to school after their summer vacation.

The school has been repainted inside and out, and is ready to house its students for another school year of ten months duration A larger enrollment is expected this year as a number of new families have moved into that community.

The school will have its same faculty. It will consist of George Richards, principal and instructor of the sixth seventh and eighth grades; Mrs. Tillie Gould, instructress of the third, fourth and fifth grades; Miss Anita Weekling, first and second grades; Harry Tripp, musical director; and Mrs G. Buttner, custodian.

ROLL HAS INCREASE AT AMADOR HI SCHOOL

First Week of School Shows Gain Over Number of Pupils Last Year

On the opening of the 1932-33 school year at the Amador Valley Joint Union high school last Monday, 123 students were placed on the roll, according to word received by E. O. McCormick, principal.

Although a number of other students are expected to enter within the next few weeks, this year's opening enrollment shows an increase of two students over last year. On the opening day of school last year, 121 students were enrolled.

There are thirty-three students in the senior class as compared with twenty-eight last year. The graduating class next spring will probably be the largest in the history of the school.

This year's freshman class has broken the school record in membership over those of past years. Forty freshmen were put on the roll Monday. Last year there were thirty-six.

There are twenty-five in the present junior class, twenty-two in nthe sophomore, and three post-graduate students. The post graduate class consists of Tom Nerton, Lorin Buttner, and Max Borsberry.

According to an interview made by McCormick on the senior class, it was learned that sixteen members expect to enter the business training field; three are going in for aviation; three for teaching; four plan to enter the engineering field; and one plans to be a nurse.

DECOTO

SEWER SYSTEM IS PROPOSED FOR DECOTO

Possibility that Decoto may have a sewer system in the future is bright as a result of a resolution recently adopted by the Decoto Chamber of Commerce.

The chamber is planning to obtain the reactions of the residents to the proposal of forming a sanitary district and constructing a modern sewer system in the town.

The movement for a sewer system at Decoto has arisen largely because of the H. Hovden cannery desires to have more adequate sewage disposal facilities at their service. Because the cannery interests are employing a large force and bringing a substanial payroll into Decoto, the civic body is desirous that the plant continue to operate, and wish to offer them more conveniences if possible.

PLEASANTON MAN TO BE TRIED IN SAN LEANDRO

Prejudice of People Is Reason for Change of Venue

The trial of Joe M. Rose, Sr., on a charge of putting out poison without the proper precautions will come before a jury in the San Leandro court in the near future. A motion for change of venue made by Rose's attorney in Judge Charles A. Gale's court last Tuesday was granted.

The motion for change of venue was made on the grounds that the citizens of Pleasanton were so predjudiced against Rose that he could not obtain a fair and impartial trial from any jury chosen from among them. The case comes up in the San Leandro court next Monday morning, when a date for trial will be set.

The motion for change of venue was supported by numerous affidavits signed by townspeople who alleged that certain citizens named in the affidavits had stated that it was their opinion that Rose could not obtain a fair trial there because of the prejudice existing in Pleasanton against him.

An affidavit signed by Mary Joseph set forth the names of Mary N. Rose, Isabelle Rose, and Joe Sequeira, as being persons who had stated that prejudice among the townspeople prevented Rose from securing a fair trial in Pleasanton.

A similar affidavit signed by William F. Sylvia named Mr. Crommie and Dr. Gardner in like manner. Another affidavit signed by James L. Marsh contained the names of Angelo Uliana, and Frank Lewis. The affidavit of Frank C. Nevis alleged that Alonzo Irwin, Alfred Johnson and Jimmie George had declared that Rose could not have a fair trial in Pleasanton because of prejudice among the citizens. W. T. Lewis affidavit carried on it the names of Joe Peters, Joe George, Mr. Henry Kruse, Frank Ava, Al Brito, Paul Leal, Joe Powell, and Joe Lawrence. The affidavit of Joe M. Rose, Jr., carried on it the names of A. L. Johnson, Frank Peters, Mary Quinn, Mary Alameda, Mrs. Harris, Dick Jones, John Ratti, Stanley White, Mrs. Minnie Ackerman, Louie Sequeira, Caroline Cook, Manuel Andrade, Ivy Dahl, Joe Sequeira, Gene Viera, Frank Powell, George Sabolio, Mrs. William Sylvia, Mr. H. E. Hartzel, Frank Rogers, Fred Anderson, Charles Swain, Dr. Al Cope, C. T. Hamer, Jerome Arendt, Joe Arendt, Billy Hall, Frank Rodrigues, and Mr. Burnett.

The defense also placed on file two affidavits purporting to show that a similar condition existed in Livermore. An affidavit of W. J. Kelly named Carl Clark and Joe Spitzell, while one signed by Walter Block named no specific individual.

Due to the fact that there were no counter affidavits filed by the prosecution, the law allowed the judge no voice in the matter, and he was forced to grant the motion. San Leandro was agreed upon by stipulation of both defense and prosecution attorneys.

Cooking School Attracts Women of Pleasanton

Many Given Food Prepared by Mrs. Catherine Welch

Approximately 150 Pleasanton women attended the Standard Flamo cooking school held at the Pleasanton Parish Hall two days last week.

Mrs. Catherine Welch, of Oakland, was the demonstrator. She prepared and pointed out the principals of roast lamb and an oven meal at the afternoon session. She also baked two pies. The food and some bags of groceries were presented to women present at the demonstration.

According to witnesses present, the meeting was one of the most interesting ever held in Pleasanton. Cook books with valuable recipes were also given away to those present.

A number of Standard Flamo representatives were present at the gathering and assisted Mrs Welch in the demonstrations. William Kelly, of Livermore, and R. S. McCullough, of Oakand, were among the representatives on hand.

The lucky women last Monday afternoon were Mrs. Augusta Bernal roast lamb; Mrs. John Delucchi, the oven meal; Mrs. J. E. Dagendorf, pineapple cream pie; Miss Anna Hanifen, chocolate pie; and Hazel Mendoza, Mrs. A Schmidt, Mrs. Jimmie George, Miss Mary Meniz, Mrs. Sam Jackson, Mrs. J. T. Nolan, Mrs. M. J. Roche, Mrs. Frank Vargas, Sr., and N. Atkinson, groceries.

The lucky ones last Tuesday evening were Mrs. Krueger, angel cake; Mrs. Kate Kruse, three layer cake; Mrs. Joe Loach, meat rolls; Norine Bianchi, jello; Mrs. Sam Jackson, cake; and Mrs. Macey, Mrs. Ralph Guilianelli, Mrs. Joe Bairos, Mrs. H. Johnson, Mrs. Larkin Locke, Mrs. Mary Willis, Wiliam Kelly and Mrs. Earl Von Herman, groceries.

Dividend Printing

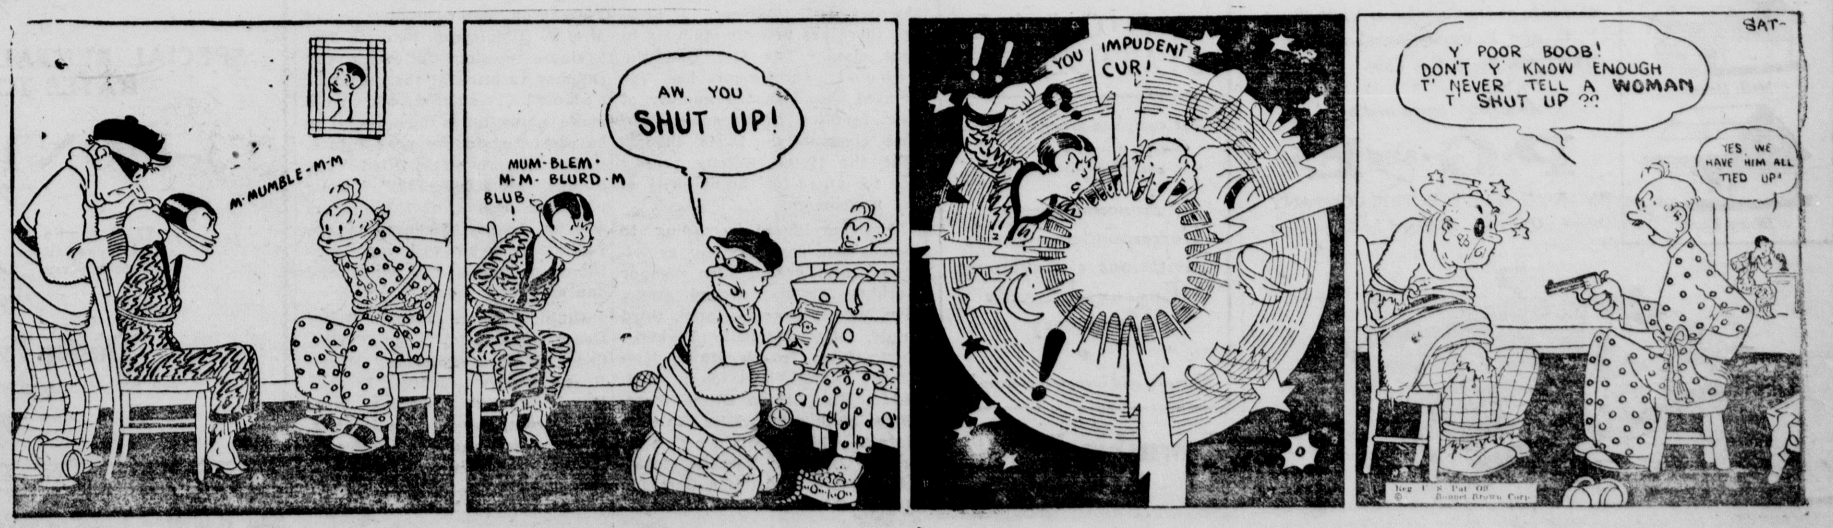

▶There is one kind of printing that you want—printing that pays a dividend on the investment.

▶A letterhead with right sort of type properly balanced is a real business asset. It wins the approval of the person receiving your letter, and while he is in this frame of mind your letter is read.

▶The same reasoning applies to any other job of printing. Neatness, the right weight and kind of paper, the color of the ink, the selection of the type, all play an important part in the production of dividend printing.

We are equipped to give you that kind of printing. Let us prove it to you.

REBEKAHS HONOR GRAND HEAD AT NILES

In honor of Clara Gilmore, grand president of the grand Rebekahs assembly of California, over two hundred members of the Rebekah lodge gathered at Niles Friday night for a banquet and impressive ceremonies.

Visitors from Rebekah lodges throughout the northern part of the state were present at the affair, which was climaxed by an evening of dancing. La Von Molter, noble grand of the Niles Rebekah lodge, presided at the banquet.

Other notable lodge officers present included Mary Reucastle, grand marshall of the grand assembly; Mrs. Nellie Priester, trustee of the orphans home at Gilroy; Mrs. Katzentien, past president of the grand assembly; Mrs. Webb, chaplain.

NEED OF JEWELRY STORE FELT IN NILES

With the removal of the only jeweler several months ago, a demand for the establishment of a first class jewelery store handling a line of stationery in connection is being felt in Niles.

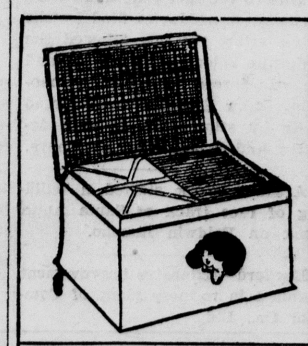

Several individuals have made inquiries during the past few weeks for the services of such an establishment, and this need undoubtedly will be felt more later on.

Niles thus offers an opportunity for a new business with the possibilities of a bright future.

Youth Arrested Driving Seventy Miles an Hour

Speeding along the highway between Niles and Decoto at seventy miles an hour in a forty-five mile zone, Edward Scanlon, 17, of Capitola, drew the attention of Captain Louis Eike, of the state highway patrol, and also a citation.

When Scanlon appeared in the Niles justice court Tuesday afternoon, his case was transferred to the juvenile court in Oakland by Judge J. A. Silva.

Grammar School Increases Roll in Pleasanton

Gain Laid to New Families Because of Hetchy Work

Attendance at the Pleasanton grammar school has increased materially over the attendance of last year, according to a report released last week by V. Bernard Johnson, principal.

The attendance last Thursday showed that forty-three more students had enrolled during the first few days of school than at any time last year. The total enrollment last year was 307 students. Already this year 350 students have enrolled and about twenty more are expected to enter. A number of children are still on their vacations and others are working, but all are expected to be back within the next two weeks.

The increase in the number of youngsters is especially noticed in the first grade this year. At present there are fifty-six students in that class. The fact that the school enrollment has increased shows that a number of new families have moved into that community. It is thought that the Hetch Hetchy project has accounted for the majority of the newcomers.

The enrollment according to classes last Thursday was as follows: first grade, Miss Eleanor Rathke—fifty-six; second grade, Miss Mayme Frager—forty; third grade, Miss Maybelle Parker—thirty-eight; fourth grade, Miss Alice Layton—forty-one; fifth grade, Miss Lillian Olsen—forty-three; sixth grade, Miss Florence Garatti—thirty-five; seventh grade, Oscar de Reschke—forty-four; eighth grade, Mrs. Gertrude Noble—thirty-seven; kindergarten, Miss Billie Langdon—sixteen.

According to Miss Barbara Bradley, health nurse, the sunshine class will be organized as soon as the children are weighed. Miss Lillie Kiefer will be in charge of this group.

"The Follies of 1860-1932" Is Revue To Be Given Soon

The Klever Kiddie Klub, of Pleasanton, under the direction of Mrs. S. Huddleston, held its first business session following the summer vacation at the grammar school last week and made plans for a new revue to be presented in the near future.

The new revue is titled "The Follies of 1860-1932." Song hits and dances of those years will be cleverly displayed by the youngsters, who will wear costumes to match the songs and dances.

Club members include Betty Georgine Arendt, Alice Taylor, Carol Jean Huddleston, Myrtle Rose, Gladys Amaro, Eleanor Kamp, Phyllis Radbruch, Rose Mary Sessa, Mary Louise Roberts, Sigrid Olsen and Elaine Frame, all of Pleasanton.
